Will you need an electrical outlet? Y or N

Parents name: _____ (please print)

Parent phone number: _____

Return top portion to school

The Hobby Fair is a low key, non-competitive event where students can proudly share a hobby that is near and dear to them! Examples of hobby displays from the past are: rock collections, Lego creations, sports cards, crafting exhibits, stuffed animal collections. (Please no live animals or weapons.) Students may work alone or with a partner. Each display will be given a table space that is approximately 2 ft x 2 ft so please plan accordingly. Set up will begin at 6:15pm. Tear down will begin promptly at 7:30 pm. If possible, please bring a table from home. To make hauling easier, families are encouraged to use Entrance E located on the northwest side of the building near the gym.

A duplicate of this form will also be sent home in this week's Friday folders. Please complete ONE form and return to your child's teacher by Wednesday, January 13th.

Any questions? Please contact Mali Teller at 605-261-1013 (Call or text) or email at mmteller@sio.midco.net

Thank you and we look forward to seeing all the fun hobbies!!
